### A message from Mrs Atherton

We are delighted with our attendance which has remained at 96% for three weeks. Thank you for supporting us in getting the children to school, on time. The children are trying desperately to get to 97% and classes love to win the attendance trophy (as seen in the picture!)

As you can see from this newsletter, it has been a very busy two weeks in school. There are also regular updates on our Twitter page—please follow us!

This week it is Parent's Evening on Tuesday and Wednesday evening. We hope to see as many of you there as possible.

Thank you for your continued support.

### Epilepsy Awareness Day

Epilepsy awareness day was a great success. Thank you for supporting this cause by wearing purple and making donations. It was also wonderful to see the decorations, games and even music at the end of the day.

Our school community is absolutely brilliant at supporting events and this is greatly appreciated.

### Mother's Day Afternoon Tea

Our KS1 Afternoon Tea was delightful.

Thank you to so many of you for joining us and also many thanks to the amazing KS1 children and staff who made this special event possible.

## Class Sculptures

Each class has been extremely busy creating a sculpture of their class animal. They all look absolutely fantastic and the range of materials, such as clay, fabric, a book, wool and cardboard, used is so effective.

Our next whole school event is **Gardening Day on Friday 3rd May**. The children do not need to wear uniform on this day and can come dressed to get dirty outside!

## Our Rock Heroes

We are very proud of our 'Rock Heroes' @TTRockStars who were all able to answer more than 60 times tables questions in a minute—with a high score of 135 questions in 60 seconds!

This is absolutely amazing and we'd like to challenge parents and carers to have a go at home to see if they are able to beat this!

### KS1's Theatre Royal Workshop

Year 1 and 2 really enjoyed getting into character in our Florence Nightingale workshop last week.

We have loved learning all about her life and it was a good way for us to really experience what it was like to be a soldier or a nurse in the Crimean War.

The children are looking forward to showing you the wonderful work that they have produced on this topic at Parents' Evening.
