## A message from Mrs Atherton

I love this photo of four boys in Squirrel Class looking so smart in their new school jumpers. The new acorn logo fits in so well with our woodland theme around school.

Thank you to all of the parents who attended Family Phonics in Hedgehogs this week. Also, thank you to all of our parents and carers who are supporting us in listening to the children read regularly and fostering a love of reading at such an early age. The children need to read 25 times to reach 'Gold' on the reading chart. A large number of children have already achieved this and it is only week four!

Please take a look at our class Twitter pages as teachers are updating them regularly to keep you up to date with what the children are learning at school. Thank you.

Butterflies (our 2 year olds) have enjoyed exploring the new areas in our Early Years outdoor area. Please come and have a look if you haven't see our new equipment yet.

## Foxes Class

We have settled into our leadership roles well in Foxes Class. Lots of children from our class have been appointed to very important roles around school and they are already taking their responsibilities very seriously. We're sure that we are in for a great year. #bestschoolyear ever

## Our Space Topic

Our whole school topic is Space this half term. In Hedgehogs, we have been learning all about different planets, building rockets and designing our own aliens! Miss Harris is so proud of us all and thinks we have settled in extremely well.

## Reading at Burton Green

Children are reading EVERYWHERE in school at the moment. We would like to thank Mrs Naylor for her fantastic work on helping us to love reading. We're loving the animal badges, book prizes and certificates.

## Owls Class

We have had a brilliant start to the new academic year in Owls. Miss Tutill is so pleased with us all because we have all done some fantastic reading at home and are working very hard in class.

We were proud of Foxes for winning the reading challenge and are hoping to come 2nd or 3rd because we are so close!!
