**Hope** Learning Trust York

### A message from Mrs Atherton

Every child in school is now on **GOLD** on the reading chart—we are so proud! As a reward, there is a non-uniform day on **Friday 25th October**.

Last week, we were donated some books for our library. They were kindly hand delivered by local author James Nicol. He talked to some children in Owls and answered their questions. The children were excited to share the new books with their friends.

As mentioned on Twitter, attendance is great again this week. Thank you everyone for helping us to achieve this.

### Our Creative Butterflies!

Following two fantastic visits to the Cosmodome, Butterflies created a beautiful space display for their classroom.

All the children from Year 1 to Year 6 have loved having the chance to play an instrument in their music lessons. It's great for the children to have this opportunity, helping them to grow in confidence and perform as a group. We are very lucky to have Mr Wilson to teach us all music this year.

### Cosmo Dome!

**Squirrels** (along with the rest of the school) loved Space Day.

In the Cosmodome, we got to see the night sky and learn how to spot constellations.

We already knew some of them and we really impressed our visitors with our knowledge.

What an exciting day!

**Hedgehogs** had a great time baking shortbread biscuits. We then decorated them to look like the different planets that we have been learning about.

Yum!

### **Space Day**

For space day, **Hares** made some rocky road asteroids and decorated them using sprinkles and icing to look like the galaxy.

### **Oral Health Drop in for our lovely Fox Cubs and their families**

Thank you to those parents that came to the oral health drop in on Monday. The children loved showing Nikki how good they are at brushing their teeth and it was lovely to see parents dropping in to ask questions.

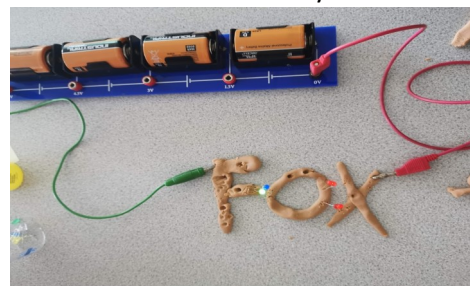

## York Food Festival

**Badgers** had a fantastic time at York Food Festival. We learnt how to make pasta, bread, butter and made our own chocolate lollies!

Up next, we have a trip to learn how to make pizza and a visit to York Minster!

**Foxes** had a great time this week at Vale of York doing lots of different things. We chose our options beforehand and went to a range of subjects including food technology, science, maths, PE and drama. We were brilliant ambassadors for Burton Green- as always!

## Attendance

Hedgehogs (Reception)	94.97%
Squirrels (Year 1)	90.64%
Hares (Year 2)	97.98%
Owls (Year 3/4)	95.93%
Badgers (Year 4/5)	98.38% ★
Foxes (Year 5/6)	97.50%
Whole School	<b>96.22%</b>

The winning class this week are:

### Brilliant Badgers
