

### School Updates

As we progress toward the last few weeks of the summer term, I wanted to say thank you for your support through this extremely busy and unusual year. In accordance with government guidelines, we are busy making arrangements for September with the aim to reopen for all pupils.

### Staffing

I would like to inform you of some changes in staffing within school for September. Firstly, I have some sad, yet exciting, news. Claire Bayliss has been seconded to Skelton Primary School for a year. This opportunity is to support Claire in the next steps in her career.

Burton Green and Skelton Primary schools work very closely together, within the Hope Learning Trust. Claire will be teaching Year 3 and 4 at Skelton and she will lead Maths across both schools. She will also partake in Middle Leadership training. Claire has done a wonderful job at Burton Green and I know the children, families and staff will miss her greatly.

Kate Ellery is also moving on at the end of this academic year. She has been a dedicated member of the Early Years team and we have loved working with her. Kate has secured a place on a teacher training programme so we're very much hoping that she completes one of her placements at our school.

In September, Mr Wilson will be moving to teach Year 2 and we have recruited a new teacher for Year 4/5. This is Miss Imogen Cole and we are all very excited to work with her. She is looking forward to meeting the children and getting to know the Burton Green families.
