

Burton Green Primary School

Headteacher: Mrs Ash Atherton

29th September 2020

Remote Learning

Dear Parents/Carers,

Given the current changing situation, our teachers are preparing to support our children with continuing education at home. If at any stage home learning is required, teachers will ensure pupils have access to materials and activities that will allow this to happen.

We know that you are as committed as we are to making sure that the current situation does not hamper your child's progress. To support you and your child, this letter outlines how our staff will communicate learning and activities that can be completed at home.

Each week, teachers will set work (see the remote learning overview) which will be reviewed and updated regularly. For Key Stage 2, please also see the guide to using google classroom.

It has been absolutely wonderful to have our children back in school and we sincerely hope that we will all continue to come into school every day to learn in the classroom.

If you have any problems, please do not hesitate to contact school.

Kind Regards,

A handwritten signature in cursive script that reads 'Ash Atherton'.

Ash Atherton
