### *A message from Mrs Atherton*

*It has been wonderful to see everyone back after half term. The children have been refreshed and raring to go! We are delighted that despite another lock down, schools remain open. To support us, please could we ask parents and carers to maintain social distancing when on the school site. Also, please do not gather at the end of the drive way, or block the school gate, as this makes it difficult for other families to enter and leave school safely. Thank you.*

*We ended the half term with some very exciting events such as Ancient Greek day, Art day and Design Technology day. A huge thank you to our staff and parents for all of the hard work which went into making these events such a success. The picture on the left shows another wonderful event—our first Gold this year. This was extremely well deserved for this delightful young man. He is kind, resilient and always trying his very best!*

### *Amazing Ancient Greeks*

*We had a wonderful day taking part in a wide range of activities. Look at our class page, under 'Curriculum' on our website, to see our range of brilliant activities.*

## Wispa's visit to Squirrels

We had our most exciting visitor ever into school this week!

Here is a picture of our socially distanced visit from Mrs Naylor's dog, Wispa.

The children really enjoyed meeting her, learning about how to look after a dog and asking questions.

The writing about her has been fantastic.

## Art Day

We always love an Art Day at Burton Green and we are certainly a creative bunch! Here is a snap shot of some of the amazing pieces produced throughout school.

We are looking forward to when we can have visitors again so that you can see the full range of beautiful art work which is being produced in school.

## Design Technology Day
