Hope Learning Trust York

A message from Mrs Atherton

It has been a busy two weeks for the children. These photos show children at home and in school making the most wonderful Tudor houses.

We have continued to work on our Forest School and have all planted trees. The snow has been brilliant fun and we have loved seeing photos of the children playing out at home. Key Stage two had a fantastic Internet Legends assembly, thank you to Mrs Bromley at Skelton Primary for organising this for us. The highlight of the week has definitely been celebrating National Pizza day. Thank you for joining in with the competition to design and make a pizza at home, the photos are amazing. We will let you know as soon as Mrs Hunter has chosen the winner.

 **The Challenge:**

Research

First you will need to research the types of pizza you can already buy in shops and quiz your family about their favourite pizzas and their least favourite.

Design

Use all of your research to design a pizza. It must have at least two toppings and it has to be able to be cut into at least five equal pieces. Draw and label your pizza design.

Make

Time to cook! Now make the pizza you have designed. Don't forget to take a photo before you eat your pizza!

Evaluate

What's your verdict? Would it sell out in the shops or would you need to change it first? Evaluate your pizza make.

Who will be the winner of the best pizza at Burton Green?

Early Years enjoyed going on a bird hunt and making delicious snacks for the birds.

We have had such fun in the snow, both at school and at home.

We celebrated Chinese New Year in school this week.

Whole Class Reading

Miss Cerowski and Mrs Parker have ordered your new class book, Foxes. If you are not attending school at the moment, you will be able to collect this after half term so that you can read along at home.
