Early Start

(using Look Say Sing Play)

For parents, carers and grandparents of 1 and 2 year olds
at Burton Green Primary School
Tuesday afternoons 25 January - 5 April 2022, 12.45-2.45pm

Have fun developing your child's listening, speaking and communication skills through simple activities using rhymes, books, songs and play. We focus on sounds and words, shapes, colours and numbers, and indoor and outdoor play. You'll share experiences, concerns and ideas with our tutor and others in the group while children do activities with Family Learning's experienced childcare team. Joint adult and child activities at the end of each session mean we can try out what we have learned and talk about how we can adapt it for learning at home.

"It shows you how everyday simple things can be useful and important." Andy

"I have found Early Start really interesting with great ideas for everyday playing. It was also great to look forward to having time to chat with other adults." Amber
