Hope Sentamu Learning Trust Parent/Carer and Pupil Survey, 2022

Dear Parents and Carers

I hope you have had a restful break over the holiday period. We have enjoyed welcoming all of our pupils back into school, for the new year ahead.

The voice of our pupils, parents and carers is very important to us. We firmly believe that regular and meaningful engagement with pupils, parents/carers, staff and the wider community, is vitally important as it helps us to make sure that we have feedback on how well we are providing for our pupils and the school community. All of our schools have different ways of communicating with pupils, parents and carers, as schools know their communities best.

In addition, we would like to collect the views of pupils, parents and carers across the Trust, so that we can make sure that we are supporting our schools in the best way possible. We are working with a company called Edurio. This organisation works with many schools and Trusts nationally, to enable Trust-wide online parent/carers and pupil surveys.

Parent Survey

The online parent/carers survey will open on **Monday 24th January 2022** and will close for responses on **Sunday 13 February 2022** at midnight. Here is your survey link:

<https://edurio.com/poll/N4aBAD>

Pupil Survey

Pupils will complete their survey in school online at a designated time in the school day, **between 24th January 2022 and the 11th February 2022**. There will be members of staff available in school to help pupils with completion of the survey, should they require assistance. **The pupil survey will close on Friday 11th February 2022.**

We do hope that you and your child/ren will respond as we are really keen to hear as many views as possible. Many thanks for your time and your ongoing support.

Yours sincerely

Helen Winn
