A message from Mrs Atherton

I would like to take this opportunity to thank the staff, our families and our children for a wonderful year at Burton Green. Despite the challenges of chicken pox, sickness bugs, COVID and a heatwave (to name a few!), we have achieved so much. Our Year 6 reading results are above national which has made us very proud!

It is always hard to say goodbye to Year 6. This cohort are an amazing group of children with such brilliant personalities. We wish them all the best—please come and visit us!

Exciting news!

Mrs Naylor has been a teacher at Burton Green for seven years. Last year, she was appointed part time as the Trust's Phonics and Reading Lead. She has been so successful in this role that she will be doing it full time from September. We are so proud of everything that she has achieved and although we will still see her, we would like to say a huge thank you for all of her hard work at Burton Green. She is wonderful to work with and is a brilliant teacher.

Mr Holmes is getting married this summer. We would like to wish him all the very best and we hope that the sun shines for them on their special day. Congratulations from us all.

Summer Fun!

Our Early Years children have had so much fun finding different ways to keep cool.

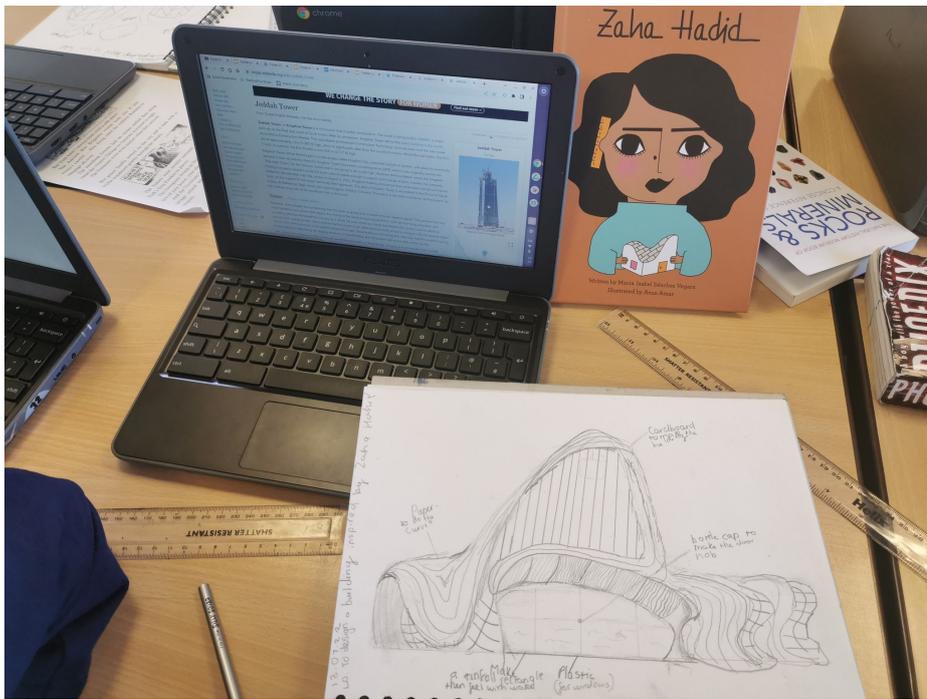

Design Technology

In DT this week, we have been focusing on the architect Zaha Hadid.

We researched her life and style of building then used her as inspiration to design and make our own buildings!

Dates for your diary

Monday 5th September: Training day

Tuesday 6th September: Training day

Wednesday 7th September: Back to school

Tuesday 13th September: Cheerleading club starts

Monday 19th September: Robin Wood
