A message from Mrs Atherton

I would like to introduce the newest member of Team BG! Miss Cole had her gorgeous baby girl on the 31st August. Olive weighed 6lb 11oz. We would all like to congratulate Miss Cole and we simply cannot wait to meet Olive for cuddles.

Welcome back to school. We missed you all and are really excited for the new academic year. The children all look super smart and are settling well into their new classes. Please let us know if you need anything at all.

One of our school priorities is attendance so please help us by getting the children to school on time and not taking holidays in term time. Thank you.

Congratulations to Mr and Mrs Holmes who got married in the summer holidays.

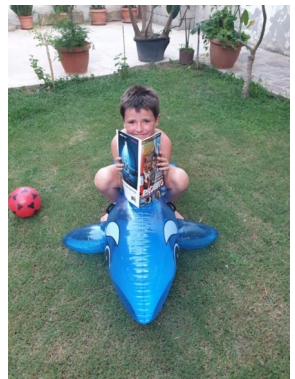

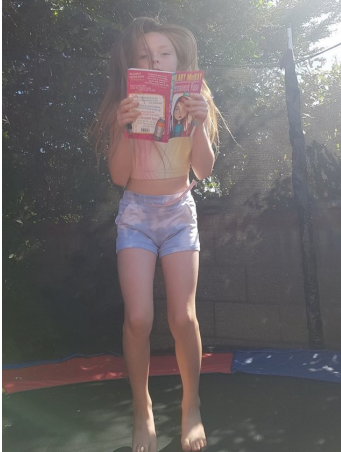

They had the best wedding ever and both looked fabulous!

Important Notices:

- We have a child in school with a serious nut allergy. Please do not send any food items containing nuts into school
- Please can we ask that long hair is tied up to try to prevent the dreaded nits!
- Please see the homework letter which was sent out this week. It really helps your child if they read regularly at home
- The children will need PE kits in school as each class does PE at least twice a week
- Please encourage children to have water in water bottles

Thank you!

Excellent Extreme Reading!

We have had so much fun being outside in the Forest this week.

Attendance

Hedgehogs (Reception): 100%

Hares (Year 1/2): 99%

Owls (Year 3/4): 93%
