A message from Mrs Atherton

Thank you for your support with all of the recent school events such as our Eco Council's Waste Week, World book day and the Early Year's Sport Stay and Plays.

I would like to offer a warm welcome to Claire Bharath. I'm sure many of you have already popped into the office to meet her. It's lovely to have her as part of the team.

We have some good news—we won the Tesco's Community Grant! Thank you for all of your help posting those green tokens. Our grant towards Key Stage One's outdoor area is £1500. You will start to notice some exciting improvements to the play-grounds over the next few months as we have a number of projects happening, some of which is due to the support that you give us at our fundraising events—thank you!

School is open to Key Stage two children in the second week of the holidays for two days. There is no charge for this and it there will be singing, drama, story telling and art and craft. Please return your slip if you are interested.

Early Year's Sport Stay and Play

Thank you to all of the parents, carers and grandparents who joined us. We really enjoyed having you all in school. Thank you Mr Holmes for organising.

World Book Day was fabulous!

As you can see, there were some amazing costumes We had such a wonderful day.

We made book marks, entered a WBD competition, shared stories in the library and did a quiz about our favourite authors.

It was so special to see the older children reading to the younger children.

Our Easter Fair is after school on Thursday 30th March. We'd appreciate any donations for the raffle and tombola.

We had a very special story time with one of our Fox Cub's grandparents who were visiting from Kerala. We listened to them reading in English and Malayalam.

Key Stage two have had visits from both the Police and the Fire Brigade to learn more about how we can stay safe in the community.

Thursday 16/3/23 Foxes to St Peter's school—author visit
