Welcome to Burton Green PRE-SCHOOL

Burton Green Pre-school is an Early Years education setting for children aged two to four years. Located at Burton Green Primary School in Clifton, York, it is staffed by a dedicated and experienced team. We aim to deliver outstanding provision for our children in a safe, friendly, calm and beautiful environment.

Within our setting, the children have ample opportunities to learn and explore through play, developing a range of skills they will need later in life. We have a fantastic indoor and outdoor learning environment, all focused on the needs of younger children.

HEADTEACHER

We also welcome and support children who speak English as an additional language. Children who attend our pre-school are very well-prepared for starting school. Visitors are always welcome. Do come and meet us and see our provision – we would love to show you around!

“Children’s behaviour is excellent, and they readily share equipment and patiently take their turn.”

Supporting **your child**

We believe in an **inclusive practice**. Our early years team and colleagues throughout the school are **very experienced** in supporting children and young people with disabilities or additional needs.

Starting **at pre-school**

Starting school, at any stage, can be a big step both for your child and you as a parent. You and your child will be invited to come and join in a session alongside the children who already attend the setting. This is a great chance for you and your child to get to know the adults and other children in the setting. These are **free of charge** and allow parents and staff to work closely together to support the children.

How much does it cost?

2-3 YEAR OLDS (TINY TOADSTOOLS)

Tiny Toadstools sessions run every weekday morning from 8.30 to 11.30am. A three-hour morning session costs £12.

Some parents may be eligible for up to 15 hours of free childcare a week, if they meet certain income criteria. A child can access a two-year old free early education place the term after their second birthday until the term after their third birthday.

3-4 YEAR OLDS (FOX CUBS)

All parents are entitled to 15 hours of free childcare a week for their three-year old child. This is funded the term after the child's third birthday. Any additional hours over 15 hours would be at a cost of £4 per hour.

Some working parents may be eligible for 30 hours extended entitlement, if they meet certain criteria. Any additional hours over 30 hours would be at a cost of £4 per hour.

“On a personal level for my family, the school is so on the ball with everything that they do. I would highly recommend to others to send their children here. We have felt privileged that our son has received the education, care and support that the school has provided.”
