A message from Mrs McGann

We hope that you have noticed the new playground markings on the two playgrounds. Our families raised the money for these through supporting us at our fairs. Thank you very much!

The summer term is always our favourite. It is very busy and there are a number of new dates since the ones I sent out at the start of this term—please see below.

Thank you to all of you who completed the parent surveys. Your views are very important to us.

Hovingham Estate Countryside day

Years 3, 4 and 5 had a wonderful Countryside day last week. The activities included: Animals and habitats, food and farming, mountain rescue and seeds and germination. School received an email the next day to praise the children on their behaviour and enthusiasm!

Book Breakfast

We had such a lovely morning sharing stories with our families for our book breakfast...although the newly hatched chicks were a distraction for us all!

Keeping safe

Fox Cubs have had a great day learning all about road safety! We learnt the importance of 'stop, look, listen', waiting for the green man and a safe place to cross. We also learnt that we should hold hands with an adult to cross the road and wear seatbelts in the car.

Thank you for your support! Tesco brought the very large cheque to school. We can now further improve our outdoor area.

Dates for your diary
