## A message from Mrs McGann

I hope that you have all had a wonderful half term. It's lovely to see the children back in school and excited about the final part of the academic year. You will receive a paper copy of the dates for this half term today and this can also be found on our website under newsletters.

I have a couple of staffing updates to share with you. Miss Cole will return from her maternity leave next week. This half term she will be working in Fox Cubs and Owls. Mrs Hunter's last day in Fox Cubs is this Friday. We have loved having Mrs Hunter at Burton Green and are delighted that she has secured a job in one of our Trust schools from September.

Mrs Parker's last day in Owls is tomorrow but she will be in school over the next few weeks. I'm delighted to share with you that she has been appointed to a permanent teaching position at Burton Green from September.

## Hedgehogs visit Askham Bryan Wildlife Park

We have never seen such an excited group of children! Miss Harris was so proud of them all on their very first school trip. It was such an interesting, exciting and magical experience and we want to say a HUGE thank you to Steve and St Peters' School for driving us in their minibus, it's a day we will always remember.

## Communication Friendly Status

We are very proud to be able to say that we are a Communication Friendly Setting. Congratulations to Mrs Gornall and her amazing team. Your hard work and dedication have really paid off!

Our staff have worked hard to develop their knowledge of communication, speech and language to ensure that our children get the best start at Burton Green Primary.

## Art Day

We had a fantastic Art day looking at the work of famous artists such as: Henri Rousseau, David Hockney, Frida Kahlo and John Michel Basquiat.

## The Great Outdoors

We love to learn outside at Burton Green. Tiny Toadstools have had fun with bubbles, Fox Cubs have investigated snails and Hares had a wonderful teddy bears' picnic.

## *.Design Technology week*

*There were some mouth-watering smells around school during DT week. We had milkshakes, smoothies, fruit ice-lollies, vegetable tarts and bolognese. There were some very proud children, and staff, with the finished products! Miss Tutill was even awarded a Good Work certificate by Foxes' class for her perseverance with their upside down pineapple cake!*

*We were so impressed with the amazing Coronation homework which was brought in by children of all ages. This half term's homework will be with you by the end of the week. We're very excited to see what you produce.*
