### Message from Mrs McGann

Thank you very much for your support with our School Council's tombola and cake sale. As a group, these children identified that we need lockers in Hares' classroom. They did a fantastic job of raising £200 - we will let you all know as soon as the lockers arrive! I have sent a paper copy of the dates for this term out to you. They are also available on our website.

### World Mental Health day

We have been talking about our mental health and how sleep, drinking water, eating healthily, exercise and talking to a trusted adult can really help. Mr Holmes' sport breakfast clubs are a fantastic way to start the day. They are **every Wednesday and Thursday at 8am for children in Years 1-6.**

Our Year 6 children have continued to support their Reception buddies in school.

It is wonderful to see this relationship grow and to help them to develop a love of reading at such a young age.

### Attendance:

Attendance is very important to us at Burton Green. We want our children to have every opportunity to learn and reach their full potential. It is also important that the children are settled at school and have lots of extra curricular and enrichment opportunities. Please support us to help your children by ensuring that they arrive at school by 8.45am and avoid taking holidays in term time. Thank you.

Well done to this fantastic group of children who represented our school at football.

### Our School Values

In Good Work assembly, we have altered our certificates so that there is now a Values Award in addition to Good Work and Attendance. Our school values are **Respect, Teamwork, Kindness, Creativity and Success.** There are stickers to match these certificates so you will be able to ask the children why they were recognised for showing that particular value.
