Newsletter - Friday 26th April

A message from Mrs McGann

A huge thank you to the Key Stage 1 team for taking the children on this wonderful trip. Not only did they make their own pizzas in Pizza Express, but they also visited some important historical landmarks.

I just wanted to thank you all for your continued support for our school. The teachers have had some really touching feedback from some of you recently and they always come to tell me with big smiles on their faces.

Burton Green is a very special place to be and feels like one big, caring family. Thank you!

Healthy Schools
York

We were so proud this week to be awarded with the bronze Healthy Schools award. Mr Holmes and Mrs French have worked tirelessly towards this achievement and their dedication has paid off. The children really benefit from their commitment to fitness and healthy lifestyles.

Every class has regular sports sessions with Mr Holmes. He is already preparing our youngest children for the school team!

There are also free breakfast sports clubs on **Wednesday and Thursday at 8am**, Please see our club offer below.

Year 6 are studying macro photography. They have used the editing software to experiment with cropping and editing the colour of images. The results were absolutely brilliant!

Our KS1 children were inspired by their trip to Conisbrough Castle to produce this stunning castle art.

Year 3 and 4 had a visit from a dental hygienist and a dental nurse last week. They learnt about the sugar content in different foods and drinks and practised cleaning their teeth in the correct way. The children were delighted with the goody bags.

Our links with York University are excellent and provide amazing opportunities for the children. Year 5 and 6 took part in VR and robotics workshops. The children built their own functional Mars Rovers - very impressive!

At Burton Green, we aim to give the children as many opportunities as possible. Visits like this benefit the children in so many ways and link to a range of subjects such as Science and Design Technology.

We also aim to expose the children to a range of careers. There are undoubtedly some future chefs in these pictures!

Hovingham Estate

We are so lucky to be invited on these outdoor learning trips every year. Key Stage two visited Hovingham Estate yesterday.

They took part in activities linked to farming, forestry and seed planting. Both children and staff described this as 'the best trip EVER.'

Dates for your diary

Date:	Event:	Class:
