Newsletter - Monday 13th May

A message from Mrs McGann

I have some wonderful news to share with you all. Mrs Rachael Whittaker and Miss Oivia Tutill are both expecting their first babies. I will share information regarding staffing for next academic year with you during the next half term.

I am sure that you have noticed the fantastic new chess board on the Key Stage 2 playground. We have almost 20 children in our Chess Club so wanted the children to have the opportunity to play outside too.

Please see the dates below as they include events such as sports day and transition day.

Owls had a wonderful trip to Murton Park. They travelled back in time and learnt all about how the Vikings lived and fought. Their facial expressions in these photos show how well that they embraced the role of ferocious vikings! There are some fantastic videos on Twitter @BG_Owls

Badgers enjoyed a samba drumming workshop with the Music Education Group.

It was a wonderful opportunity for the children to explore a range of instruments.

Hedgehogs had a fantastic time at their Stay and Play.

Thank you for coming to support the children.

Our new water wall has been so well used in our Early Years outdoor area.

It has been extremely beneficial for developing our problem solving skills.

We were very lucky to hear about the role of a vet last week in Early Years. Mrs Button came to visit and showed us photographs of the animals that she cares for. We learnt so much about caring for pets and farm animals.

A huge thank you to Mrs Gornall and Mrs Whittaker for giving up their time every week to run Forest School club.

These photos are truly joyous and the children are so lucky to have these opportunities! The marshmallows look delicious.
