### A message from Mrs McGann

On behalf of all of the staff in school, I would like to thank you for your wonderful support this term. There is so much kindness and care in our school community. We have had the best audiences ever for our Nativities (see below) and Key Stage 2 singing. I used the word 'proud' a number of times and I really am so very proud of our children.

I hope that you all have a lovely holiday and we will really look forward to seeing you on Tuesday 7th January.

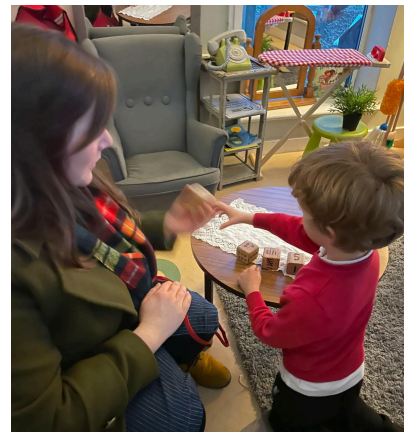

Key Stage Two had a magical time at the pantomime: Beauty and the Beast

Badgers have been busy in the local community. They planted bulbs on Burton Green and have also sung Christmas songs at both Mulberry Court and Marjorie Waite Court. On each occasion, their delightful manners have been commented on.

We have had a range of visitors this term including a vet, an army major, an architect and parents for our maths workshops.

Hedgehogs enjoyed a festive walk to the postbox to post their handmade Christmas cards.

A huge thank you to all of our lunchtime team for preparing the most delicious Christmas lunch!

It was the perfect end to a fabulous term. So much effort went into making the hall look festive and the children were so appreciative and excited!
