A message from Mrs McGann

Happy New Year! We have had a wonderful start to the new year and so many children told me how excited they were to be back at school. Please could we remind you to return all children's PE kits to school. Also, Years 3 and 4 will need their swimming kit every Tuesday.

If you have unwanted Christmas gifts, we'd appreciate any donations for our tombola on the 12th February. This is to raise money to reduce the price of school trips. We would also appreciate any donations of PE Kits, swimming kits and board games/jigsaws for breakfast club. Thank you!

Fox Cubs have been busy drawing lines and shapes in Pen Disco. Their creations were amazing!

Hedgehogs have been using their hands and fingers as tools in their Art lessons.

They made a range of different shapes and textures, including a number of superb snakes!

There was lots of fun to be had in Owls last week! The children used freeze frames in English to help them to write in role.

Badgers have been working so hard in their maths lessons. They have been working with fractions mats to multiply a unit and non unit fraction to a whole number .
