### A message from Mrs McGann

We have been enjoying the lovely weather in school and the children have experienced some wonderful trips. This photograph is from Hares' visit to The Railway Museum and Wonderlab. The children loved the interactive experiences.

Our Year 6 children have been working incredibly hard ahead of their SATS tests next week. We are very proud of them all. They will need to be in the Hall for breakfast at 8.20am every day please.

Owls' class  
travelled in style  
last week along  
the River Ouse.

This links to their  
Geography topic  
of Rivers.

Year 1 and 2 got hands on with the science behind the railways.

They explored aerodynamics, found out about fuels and tested their engineering skills.

Badgers were delighted to win the attendance trophy last week and enjoyed their reward of building dens in Forest School. Fabulous teamwork!

Hedgehogs have been exploring Forest School each week and spotting toads, newts and numerous different insects.

Fox Cubs have also had fun in Forest School using their binoculars to hunt for animals.

Our Year 5 children were extremely creative in art. They used free modelling to create a clay figure inspired by Anthony Gormley.
